

Why Use a Village Life Participating Lender

Congratulations on taking the next step to moving into a new Village Life Home!

We are proud of the long-term relationship we have established with our participating lender. This lender has been specifically selected by Village Life due to their vast experience, knowledge and platforms related to new construction. They are the experts and are committed to your customer satisfaction. What this means for you is having a lender that will make your dreams of homeownership a reality.

Our participating lender will work closely with our sales representatives and are familiar with our Village Life Communities, building process and timelines, policies and lending requirements. This allows for quicker and accurate answers to your questions, a professional and straightforward loan process, and provides you with a dedicated mortgage loan originator to personally keep you updated as your loan progresses.

When you choose to finance with our participating lender, you're choosing someone who will work hard to ensure that all financing details are communicated to you clearly, with no last-minute surprises. You can find our recommended Mortgage Loan Originators at our Village Home Sales Center, by phone, or online!

Again, congratulations on your new Village Life Home!
